SPIRIT

There's something delightfully uncomplicated about Spirit. While she's every bit as sophisticated, stately and seaworthy as her Amels Limited Editions sister ships, she brings her own unique brand of breezy ocean style to everything she does. More beach house than floating palace; to stay on board Spirit is to feel infinitely connected to the ocean, yet completely at home.

EFFORTLESS AFLOAT

Soak up the sun from a variety of spacious outdoor areas, while a an inventory full of the latest water toys will keep everyone entertained. The breeziness of her light, bright interior is matched by the light, easygoing nature of her longstanding crew. Whether it's the Captain's local knowledge of exactly which beach clubs you'll love, or her chef's ability to recreate your favourite dishes using the freshest local ingredients, everything about a Spirit yacht charter feels delightfully effortless.
