

One of the most fascinating Gulets in the whole Mediterranean, Aegean Schatz. She can accommodate up to 10 guests in five large and elegant cabins, each with its own private bathroom. The crew, always keen to the tidiness, hygienic and cleaning on board, is a guarantee for a dream cruise along the Greek islands and Turkish coasts.

A special note goes to the Chef who, according to the tastes of the guests, prepares excellent dishes of Mediterranean cuisine that can be defined as slow food, combining Greek and Italian specialties that deserve to be tasted slowly to appreciate all the flavors.

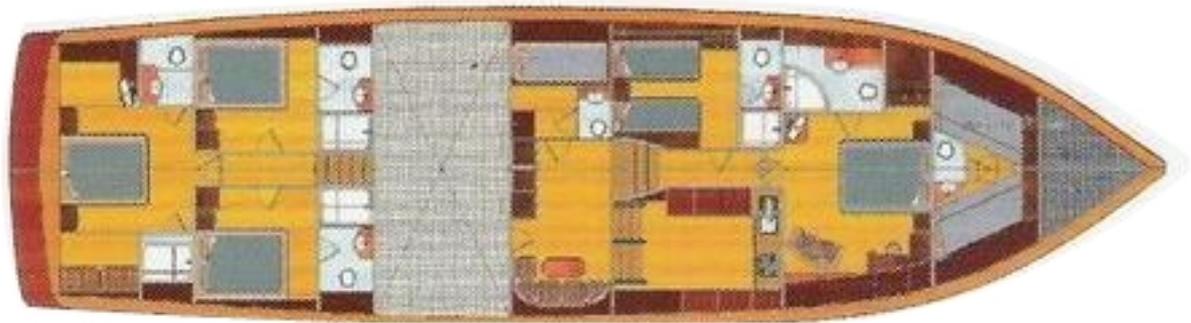

The interiors in elegant light and bright woods, make the boat modern and minimalist for a refined but yet informal clientele. At stern there is a large relaxation area with cushions, while other comfortable sunbathing cushions are available at bow. For an unforgettable cruise, Aegean Schatz also offers a wide range of water toys and entertainment for fun throughout the cruise.

Aegean Schatz is the ideal yacht for those seeking luxury in absolute privacy and comfort.
