TENDER INVICTUS FX 6MT

The 34m Explorer yacht ATOM was delivered in 2007 by Brazilian Shipyard INACE. In 2023 the yacht underwent a complete interior and exterior refit. Thanks to her huge volume of 273 GT she is considered one of the most spacious yachts of this size.

ATOM's outdoor spaces are impressive. The Sun Deck offers a large Jacuzzi for up to four-person and a lounge area with seats and chaise lounges. The generous Upper Deck's interior is perfect for relaxing: you can sit back on the couch in front of the TV while playing chess. On the exterior side guests will find a dining area, which is able to seat 9 guests. The Main Deck is the ideal place for hanging out. The salon comes with a sofa and a formal dining area.

ATOM can accommodate up to 9 guests across 4 staterooms. Located on the main deck, the Master suite features 2 walk-in wardrobes and an en-suite bathroom. The Lower deck accommodates 3 cabins, including 2 VIP and 1 Twin with pullman bed.

Thanks to the displacement hull, she has a cruising speed of 10 knots and a fuel consumption of 160 Litres/Hr. ATOM comes with underway stabilizers and 4 fins that give the yacht great stability.

The experienced crew of 7 is ready to guide guests on the ultimate yachting vacation through the Italian waters.
