BLUE EYES is an Azimut Magellano 25M from Azimut’s acclaimed Magellano explorer series, combining long-range cruising capability with refined Italian design and exceptional onboard livability.

The interior features a light, modern aesthetic with soft marine tones and clean architectural lines. Large panoramic windows flood the main deck with natural light, enhancing the sense of volume and openness throughout the living spaces.

BLUE EYES accommodates up to 9 guests in 4 well-appointed cabins, all with en suite bathrooms and generous storage. The layout comprises 1 Master Cabin, 1 VIP Cabin, 1 Convertible Cabin and 1 Twin Cabin with Pullman bed. Each cabin offers a calm, private atmosphere designed for relaxation during both short stays and extended cruises.

For enhanced comfort, BLUE EYES is equipped with fins stabilizers that significantly reduce roll and ensure a smooth and enjoyable experience whether cruising or at rest.

A professional and experienced crew of four is dedicated to delivering seamless service on board.
