# CONTIGO

Built by Benetti and launched in June 2024, CONTIGO comes from the Italian yard's popular Oasis 40m series. She presents in pristine condition and is an ideal yacht for fun-filled family charters.

With exterior design by RWD and interior design by Bonetti/Kozerski Architecture DPC, CONTIGO has a clean, spa-like aesthetic with white furnishings and varnished teak floorboards, instantly putting guests at ease.

Doors from the main salon lead out to the spacious aft deck complete with a dip pool, sunpads, sun loungers, and lounge area, creating a chic, expansive beach club atmosphere. For quieter moments, even more sunpads can be found on the foredeck.

Her main entertaining area is the serene main deck salon, featuring symmetrical white serpentine sofas to starboard and port, and a backlit Onice marble bar forward.

There is a second salon in the sky lounge, where families can cosy up for movie night, along with a wellness room for treatments.

On the sun deck, guests can sunbathe by the Jacuzzi pool, sip cocktails at the sit-up bar, or dine beneath the shade of the hardtop. To the aft of the sun deck is a luxe lounge area with modular furniture that can be moved for when guests want to dance the night away. This space includes a DJ set up, complete with dance floor lighting and a smoke machine.

Offering luxurious and flexible accommodation for up to 10 guests across five cabins, CONTIGO includes a full-beam Owner's suite with private salon, office desk, dressing room, and his-and-her bathroom with a steam shower and tub.

The rest of the guest accommodation comprises two VIP cabins, and two convertible twin cabins, each with an additional Pullman berth. Additionally, she is serviced by a crew of eight, who will work to ensure your holiday is as action-packed or relaxing as you desire.

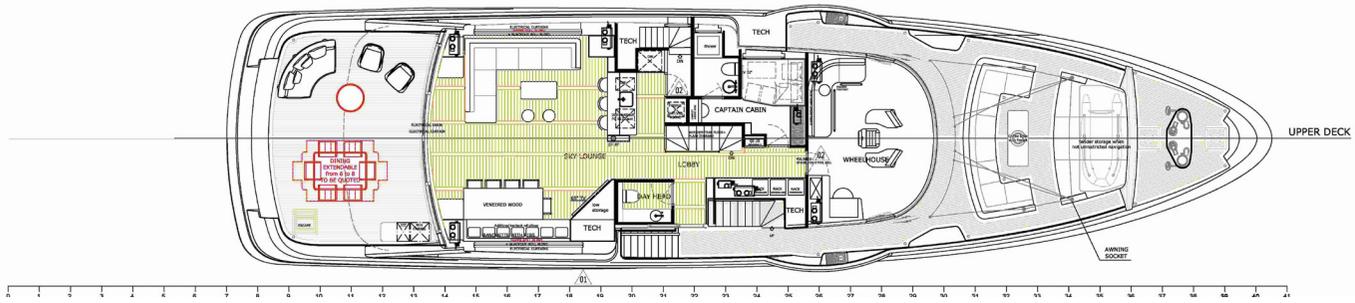

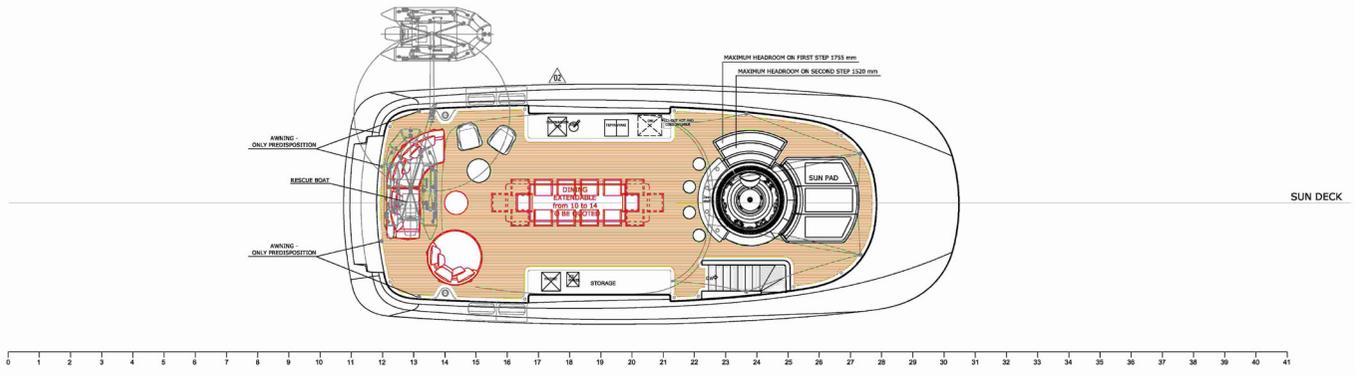

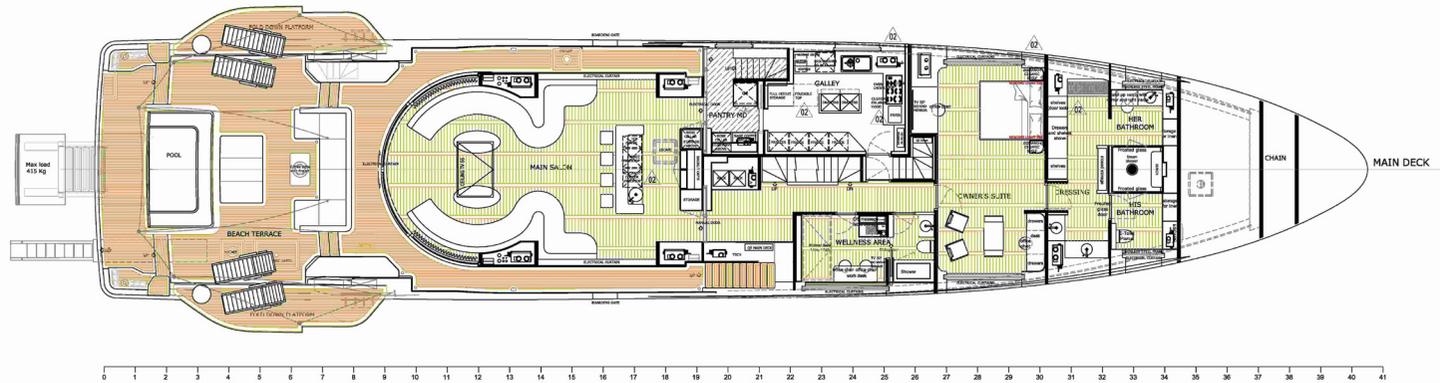

CONTIGO comes with a packed toy box to maximise the fun. She is equipped with a trio of Sea Doo Spark Jet Skis, a wakeboard, water-skis with helmets, a pair of E-foils, four Seabobs, and that charter favourite: a slide. Additionally, she features a brand-new Scout 425 LXF tender, perfect for swift shore excursions.
