

E-BROCHURE

Diane

This beautifully presented charter yacht delivers fresh Italian style and remarkable luxury and space.

Her decks are a wonderful feature. The sundeck is ideal for long sun-drenched days, relaxing on sun pads and cooling off in the Jacuzzi, while the beach club is the place for lazy waterside afternoons or adrenalin fuelled water sports.

Dominated by light, her elegant interior mixes light tones with touches of dark wood.

The main salon and upper sky lounge offer an inviting ambiance, the latter includes a bar and extensive seating, leading out to the bridge deck.

Furnished to a classic design, flexible accommodation for ten guests can be found in five en-suite cabins.

The master is situated on the main deck, while the VIP cabin and the additional double and two twin cabins can be found on the lower deck.
