# KING BABY

Meticulously maintained by a dedicated owner, KING BABY underwent a multi-million-dollar refit in December 2023, revolutionizing the yacht while preserving its rock ‘n’ roll identity. Renowned designer Evan K. Marshall crafted both the interior and exterior with contemporary luxury themes. KING BABY promises an extraordinary charter experience, leaving each guest who steps onboard completely satisfied with the ultimate level of 7-star service, entertainment, and comfort. KING BABY is fitted with all the style, luxury, and sophistication of a 2023 yacht, ensuring each guest that charters is getting top-of-the-line amenities. The tri-deck yacht boasts stability with a four-fin “At Rest” stabilizer system, expansive entertainment spaces, and top-of-the-line amenities. The sexy rock ‘n’ roll-inspired interior features unique elements, including Keith Richards’ doors and vintage hood ornaments. The alluring indoor spaces are comfortable, with an edge of modern seduction. The owners spent months curating classic rock photography, which is showcased throughout the yacht. The ideal charter yacht for groups of friends ready to let the good times roll, this yacht has both sass and style. Her most recent refit also brought the addition of stunning white hardwood flooring in the formal dining area, offering a cool contrast to her interior design. The yacht accommodates ten guests in five luxurious staterooms, each adorned with new linens. The main deck is home to the large full-beam master with a steamy his-and-hers en-suite bathroom with both a bathtub and a shower. Three large king staterooms below feature en-suite bathrooms. There is also a spacious twin cabin below deck. KING BABY is both inviting and provoking. Thanks to her stellar onboard atmosphere, you may walk on the yacht, but you’ll strut off when you leave...always wanting more.
