# Lady Victoria

LADY VICTORIA offers a superb base for those with a love of being on the sea and is well suited to both family and friends holidays.

Launched in 2015 and refitted in 2022, she comes with many exciting features you might not expect on a sub-50m yacht, including a private Master deck.

With exterior design by Dubois and interiors by RWD, LADY VICTORIA boasts both engineering efficiency and luxurious accommodation.

A soft colour palette and lots of natural light – particularly in the main salon – are complemented by bleached-oak cabinetry, creating an aura of quiet luxury that instantly makes charter guests feel at ease.
