

E-BROCHURE

Nadan

The award-winning 46.10m yacht NADAN, built by Burger Yachts in the USA, is offered for charter and is an aluminium fully displacement fantail yacht oozing vintage charm and character.

With naval architecture by Bruce King Yacht Design, though she has a decidedly 1920s feel throughout, harking back to charters of yesteryear, NADAN was built in 2009 and was most recently refitted in 2021.

Inside, Ken Freivokh's inviting interiors exude warmth with rich Madrona Burl wall panels, inlaid with Macassar Ebony.

The main salon has a TV screen and a sit-up bar, while large sofas are positioned towards each other to encourage socialising. This area leads through to a smart dining area, where full-length doors open onto a veranda.

NADAN can accommodate eight guests across four cabins, including a master suite on the main deck, plus a VIP suite, and a double and twin cabin on the lower deck.

Out on deck, there's a large dining area on the main deck aft with beautiful fantail seating behind.

The vast sun deck is the hub of outdoor entertaining—enjoy open-air dining, order a drink at the bar, or sun themselves on the large sunpads forward of the wheelhouse salon.

SPECIFICATIONS

MAIN CHARACTERISTICS

Length: 46.10m (151' 3")
Beam: 8.05m (26' 5")
Draft: 3.41m (11' 2")
