PLAN B

S O P H I S T I C A T I O N & A D V E N T U R E

Launched in 2012, PLAN B is a striking 73m motor yacht designed by Focus Yacht Design and built with precision by HDW shipyard. Inside, Alberto Pinto interiors add a timeless elegance to the yacht's refined craftsmanship.

PLAN B accommodates up to 12 guests across eight beautifully appointed suites. The spacious master suite, located on the main deck, offers seclusion and was designed as a sanctuary of elegance and calm. A hallmark of the suite's thoughtful design is its his-and-hers dressing rooms, a spacious ensuite bathroom with intricate marble inlays, and a private balcony — the ideal setting for breakfast with a sea breeze or a quiet moment away from the main guest areas. A separate owner's office ensures that business or personal work can be handled discreetly and comfortably while cruising.

Three VIP cabins are situated on the bridge deck, each featuring expansive windows, luxurious en suite bathrooms with bespoke marble finishes, and a timeless interior palette of warm woods and patterned finishes that enhance the abundance of natural light and views.

On the lower deck, guests will find two double cabins, one with a Pullman berth, and two fixed twin cabins, one featuring a removable baby bed — each with its own en suite bathroom with a shower.

An internal elevator connects the lower, main, and bridge decks, ensuring easy movement between key guest areas on board.

For the ultimate indulgence, the sun deck features an elevated circular Jacuzzi surrounded by sunpads, a bar, and ample seating. A dedicated massage room offers a variety of treatments — including Traditional Thai, Hot Stone, and Deep Tissue massages — while a gym allows guests to maintain their fitness routines at sea. The aft sun deck is shaded by a canopy and hosts an elegant oval dining table for alfresco meals, complemented by built-in seating at the stern for relaxed post-dinner conversations. Thoughtfully designed spaces throughout ensure privacy, seamless movement, and elevated comfort.

The main salon on the main deck flows seamlessly into an elegant formal dining area that comfortably seats 12 guests. Designed by Alberto Pinto, the interiors showcase a refined monochrome palette with cream tones, mirrored finishes, and custom furnishings that strike a balance between contemporary sophistication and timeless style. Expansive windows and twin sliding glass doors flood the space with natural light, accentuating curated artworks and soft textures throughout.

On the lower deck, guests can relax in a serene wellness area that includes a sauna, hammam, and direct access to the sea via the expansive beach club. Twin high-sided staircases offer elegant access to the swim platform, where the beach club opens directly onto the water. This inviting space is furnished with parasols and loungers, providing a tranquil spot to unwind after enjoying watersports.

With a professional crew of 20, PLAN B promises a bespoke charter experience, offering world-class service and tailor-made cuisine from sunrise to sunset.
