

E-BROCHURE

Rio

Delivered in 2022 by CRN Ancona, RIO is a 62m tri-deck superyacht combining space, privacy and considered design. Her layout flows naturally between sociable and secluded areas, ideal for families and mixed groups. A private Owner's deck, wellness centre and beach club create a relaxed, contemporary setting for effortless time onboard.

Interiors by Pulina Design combine clean lines with carefully selected materials. A calm palette of whites and warm woods is lifted by subtle colour through artwork and soft furnishings. Large windows enhance natural light and space, while tactile finishes and a striking Azul Macaubas bar define the main salon.

Interior spaces are designed for both socialising and relaxation. The main deck features a spacious salon with bar and formal dining, complemented by a quieter forward lounge. On the lower deck, a dedicated wellness area includes a beach club with hammam, steam shower and massage space, while a separate gym is located within the guest accommodation area. A lift connects all guest decks.

RIO

RIO accommodates up to 12 guests across six ensuite cabins, offering privacy and flexibility. Three principal suites include a full-beam Owner's suite with private terrace and jacuzzi, a main deck VIP and a lower deck VIP. The remaining accommodation includes two doubles, a twin with a Pullman and a staff cabin for a nanny or security.

Exterior spaces onboard RIO are designed for relaxed, open-air living. The bridge deck features a pool, sun pads, bar and lounge, while the Owner's deck offers private dining and a terrace with jacuzzi. On the lower deck, a spacious beach club with wellness facilities creates a direct connection to the water.
