COMFORT & SOPHISTICATION

Built by Monte Carlo Yachts in 2021, ROCCO reflects a refined approach to modern Italian design, pairing performance with understated elegance, creating a yacht that is as capable as she is refined. Expansive exterior deck spaces provide generous room for both relaxation and entertaining, making full use of the Mediterranean lifestyle.

With cruising speeds of up to 23 knots and a range of water activities on offer, ROCCO delivers a seamless blend of style, comfort, and performance.

ROCCO accommodates up to 10 guests across five well-appointed staterooms. The full-beam master suite, located forward on the main deck, offers a private and comfortable retreat, complete with a walk-in wardrobe and a skylight that enhances the sense of space and natural light. Two double cabins and two convertible twin cabins are situated on the lower deck, providing flexible accommodation options for a variety of guest configurations. Each cabin is equipped with ensuite facilities and finished to a consistently high standard, ensuring both comfort and functionality throughout.

FOR CHARTER

ROCCO

The interior, designed by Nuvolari Lenard, is characterised by a calm and contemporary aesthetic. Soft tones, clean lines, and carefully considered detailing create an atmosphere that is both elegant and welcoming. Large windows invite natural light throughout, enhancing the sense of space on board, while folding side balconies on either side of the main salon create a truly immersive and inviting atmosphere for all who come on board.

Designed for outdoor living, ROCCO's sundeck acts as the main social hub, offering spacious al fresco dining and lounge areas suited to both relaxed days and evening entertaining. A wraparound bar with an integrated BBQ, alongside a TV and retractable roof, adds both functionality and comfort to the space. Forward, the foredeck provides a more private retreat with wraparound seating and open views, while the aft main deck links directly to the interior dining area, creating a seamless and inviting indoor-outdoor flow.

ROCCO offers an impressive array of water toys, ensuring enjoyment for every guest. She features a Williams Jet Tender for easy shore access, complemented by a Seadoo Spark jetski, wakeboard, and waterskis for more energetic activities. For a gentler pace, guests can enjoy a stand-up paddleboard, snorkelling gear, and fishing equipment, along with a selection of towable inflatables and an electric sea scooter.

With a professional crew of five, every aspect of your experience on board ROCCO is expertly managed, delivering attentive service and seamless care throughout your journey.
