

ROCKET ONE

FOR CHARTER

The magnificent Majesty 120 is an immaculate superyacht designed for private getaways and effortless entertaining. The powerful 37m Majesty 120 has been built with the owner's preferences in mind, with a strong focus on luxury, performance and comfort.

Aggressive lines and a demanding profile define the Majesty 120, with the signature Majesty Yachts windows lining the hull. Extensive use of glass offers an unparalleled connection to the outdoors with low bulwarks allowing for an ornamental glass railing design.

Amongst the standout features onboard the new Majesty 120 is a Jacuzzi situated on the sun deck. This superyacht boasts 30% larger outdoor entertainment areas compared to any other yacht in its class.

The smart layout onboard the Majesty 120 allows for a beachclub to double as a tender garage, creating a hybrid solution for the guests onboard. The multipurpose ladder that extends from the swim-platform allows for an easier and safer access to the superyacht while moored.
