EXPERT'S VIEW

"A beautiful SD118 model built in 2022 by Sanlorenzo and designed by Zuccon International Project. SABBATICAL has 5 spacious cabins, including a comfortable master cabin on the main deck. This 36 metre yacht combines all the qualities of an exceptional yacht: comfortable and cosy saloon areas, well maintained cabins that benefit from natural light, a generous sundeck for hours of relaxation and a great list of water toys to enjoy the pleasures of the water. Inside and out, the contemporary décor with touches of blue and wood will satisfy any charterer's taste."
