Silver Angel

A proven charter yacht, SILVER ANGEL comes with exceptional exteriors and interiors spaces and every luxury superyacht feature imaginable.

Designed by Argent Design of London, which collaborated with the revered yacht designer Stefano Natucci, SILVER ANGEL was launched in 2009 to much acclaim and underwent a refit in 2015.

An Art Deco theme runs throughout the interiors and exteriors of SILVER ANGEL, with glossy black oak panelling complemented by Onyx and white furnishings and lots of mirrors, while white marble and silver leaf add some glamour and sparkle.

She can accommodate 12 guests across 7 cabins, including a full-beam Owner's suite on the main deck forward.

The rest of the guest accommodation is spread across a further four doubles, including a VIP cabin on the upper deck, and two twin cabins on the lower deck.

SILVER ANGEL is a luxury superyacht that is a cut above her peers when it comes to onboard opulence and entertaining spaces.

Her features include three excellent alfresco dining areas, four bars, and an oversized swim platform; while on the sun deck, a sweep of travertine steps leading up to the mosaic counter-current pool feels very old Hollywood.
