Soundwave is an entertainer's dream with endless options for spending time outdoors across her impressive deck spaces. Her sun deck aft offers a resort style experience with an English spa-inspired pool, generous sunbathing areas sheltered by umbrellas and a fluted bar complete with seating and low-level tables. On her upper deck aft, there is an exceptional dining space for an al fresco experience, with a 14-seat table, accompanied by an outdoor bar, and on her main deck there is a beautiful teak deck and custom-fitted seating area sheltered by her awning.

Soundwave is an entertainer's dream with endless options for spending time outdoors across her impressive deck spaces. Her sun deck aft offers a resort style experience with an English spa-inspired pool, generous sunbathing areas sheltered by umbrellas and a fluted bar complete with seating and low-level tables. On her upper deck aft, there is an exceptional dining space for an al fresco experience, with a 14-seat table, accompanied by an outdoor bar, and on her main deck there is a beautiful teak deck and custom-fitted seating area sheltered by her awning.

Soundwave has accommodation for up to 12 guests across six cabins with a luxurious Master suite on the upper deck that includes an expansive 180-degree panoramic view over the bow of the boat, overlooking a private pool and fore deck area. Her second Master suite on the main deck is complete with spacious interiors and expanses of windows allowing natural light to flow into the space along with a study, powder room and walk-in dressing area. The remainder of guests are accommodated across two double cabins and two twin convertible cabins, all with ensuite.
