

E-BROCHURE

Turkish Delight

The 24m 2019 Sunreef yacht TURKISH DELIGHT, refitted in 2022, is a modern, stylish yacht, which blends indoor and outdoor living effortlessly. TURKISH DELIGHT offers barefoot luxury to its guests with contemporary, spacious interiors and a shallow draught that allows it to reach anchorages that are inaccessible to many.

Out on deck, there is a flexible alfresco dining area on the main deck aft, plus a boarding area for accessing the Williams Sportjet 520 tender for shore excursions or high-adrenalin fun on one of the many water toys and water sports accessories, including a Lift E-foil, a Radinn E-surfboard, a pair of iAqua Sea Darts, a Smartkat inflatable sailing catamaran, waterskis and dive gear.

Up on the flybridge, there is a large sunbed for those who want a slice of the action when underway, as well as a dining table with long sofa and chairs. The hub of outdoor socializing is undoubtedly the fore deck, which acts as a sun deck, with a pair of oversized daybeds plus a generous sunken observation sofa.

The open-plan main salon is a sociable space where guests can lounge on the in-built sofa or leather armchairs or catch up over a drink at the sit-up galley island, which doubles as a bar, while the expert crew of four whips up cocktails and delicious food.

TURKISH DELIGHT can accommodate eight guests across four cabins, including a master cabin with sea views from the king-sized bed, a plush marble bathroom and a dressing room. The remaining three double cabins all have queen-sized beds, are connected to the yacht's Yamaha sound system and come with their own TV.
